

Meadow Explorer Journal

A take-it-outside journal page

You will need: a crayon or a pencil, something firm to lean on

Take this on a walk. Any yard, any park, any sidewalk has a meadow in it.

Draw one thing you found.

Put a leaf under the page here and rub a crayon over the top.

I saw _____

I heard _____

I felt _____

What is one thing you want to know more about?

Ages 3-7 - Write it, draw it, or just tell a grown-up and let them write it down.
