

Meadow Treasure Bin

A sensory-bin recipe

You will need: a big tub, dry rice or dry beans, six little treasures to hide

A digging hunt for little hands.

1. Fill a big tub with dry rice or dry beans.
2. Hide the little treasures in the rice.
3. Dig, scoop, and hunt with your hands.

Can you find...

- | | |
|---------------------------------------|--------------------------------------|
| ☐ a silk flower | ☐ a big button |
| ☐ a smooth rock | ☐ a pom-pom |
| ☐ a toy butterfly | ☐ a wooden spoon |

-
- Dry rice and beans can choke a child under three. Keep the bin away from little ones, and always play together.
 - Everything goes back in the bin, never in a mouth.
 - Wash hands after play.

Ages 3-7 with a grown-up - made by a teacher, adapt freely.
